

How to improve your child's English with Fun and Friends

Learners have experienced significant improvement in English after using Fun and Friends. If your child want to have the same achievement, read carefully and follow the successful tips and parental guide below:

Successful Tips

- ✓ Set a regular study schedule.
- ✓ Set a target score, recommend to set between 70 – 90.
- ✓ If your child cannot achieve the set target score at the first time, re-do the lesson the next day.
- ✓ Watch all videos and listen to the audio clips in the question to allow your child to experience the language immersion.

Parental Guide

- ✓ Be interested in your child's learning progress by keeping a regular check of your child's report.
- ✓ Review the lesson with your child by asking your child questions or to retell the story.
- ✓ Positive encouragement definitely helps.
